I'm a sociable, communicative, reliable, conscientious, responsible and very creative person

Social skills and competences

I have good communication skills which I have developed as an English teacher at University of Craiova. This meant participating in four editions of Romanian summer courses for international students, organized by the Department of Applied Modern Languages. I accompanied, and guided the international students and provided interpretation services during the various cultural activities (visiting the city, facilitating access to different sites, enabling the intercultural exchange, etc.). I am organised and efficient and I work well on my own or as a part of a team.
